COMMUNICATION

When the planning arm of any society starts to arrange a particular function which will run in the village, the first thing which must be considered is whether another similar society is planning something on or near the same day. Over the last eighteen months or so this has become more important, because as our village grows in number the various societies also increase. For instance, last year two functions were planned on the same day and neither society knew of the other's plans. Again this year a similar incident nearly occurred.

Because of this problem, we, the Residents Association, have decided to appoint a person who will be responsible for co-ordinating the planning information from each society. It might take the form of a circular to each society every two months showing details of planned events. This circular would not be published as part of the Bar Hill News; the information given would, if necessary, be held in confidence until the particular societies wanted it released to others.

At our last meeting, we discussed this idea and agreed in principle that it should be given a try but for it to work satisfactorily 100% co-operation will be necessary.

So that we can start such a scheme, and to hear your comments would the Secretaries of Societies in the village contact Doug Greenland on CH 81269.

P.S. Some societies have planned 14 months ahead.

PARISH COUNCIL NOTES

The Annual Meeting of Bar Hill Parish Council was held on Tuesday 20th May in the Committee Room in the Village Hall.

Election of new Chairman and Vice-Chairman

David Lindsay announced that after two years as Chairman of the Parish Council, he had decided not to stand for re-election. He nominated Tom Flanagan as his successor and in the absence of any other nominations Tom Flanagan was elected unopposed. John Wills had also decided to stand down as Vice-Chairman and Mike Duce was nominated for this post. He was also elected unopposed. The Parish Council wishes to thank David and John most sincerely for all their valuable work and to wish its new Chairman and Vice-Chairman every success in their new positions.

Parking difficulties in Otter Close and Gardens

A meeting chaired by Gerry Brunning was held on Tuesday 22nd April to discuss this matter. It was generally accepted that there was a considerable problem in this part of the village, partly due to thoughtless parking of cars but aggravated by the lack of space and the number of cars involved. Several measures were suggested to alleviate the problem, and these will be pursued at a meeting to be held between representatives of the Parish Council and the County Council. The condition of the road surface in Catlands Avenue will also be discussed.

Tesco trolleys

The Parish Council has recently been in correspondence with Tesco's over this matter, which is still proving to be a problem. We shall be writing to Tesco's once again but we would also appeal to all residents not to leave trolleys around the village. Apart from the unsightliness they cause, they are also a potential hazard in many situations particularly those involving children.

Gypsies

Most residents will be aware of the gypsy caravans which are at present occupying part of phase 4. Unfortunately as the land is privately owned the Parish Council is powerless to take any action to remove them, other than notifying the owners of the land and asking them to take appropriate measures. This has been done and we understand that the matter is being dealt with. In the meantime we suggest that in the circumstances residents would be best advised to directly contact Mr. Poole of Wimpey Construction Ltd., rather than the Parish Council. His telephone number is Luton (0582) 55922.

The next meeting will be held on Tuesday 17th June at 8.00pm in the Committee Room, Bar Hill Village Hall.

Richard, Jean, Catherine and David Smart, Catherine's husband, Paul, and Stephen Dennison, Janet's fiance, wish to thank all kind friends in Bar Hill and beyond the village for their expressions of sympathy in their sad bereavement.

They ask that you will give thanks for the life of Janet and many of you will remember her leadership of the service by the Koinonia group from Holy Trinity Church, Cambridge, a few weeks ago. They ask particularly for praise for a wonderful life fully lived out in the service of the Lord Jesus.

LETTERS TO THE EDITOR

Dear Sir,

May I, through the courtesy of your columns, thank all those who helped in any way at the School's May day fete on 17 May? Also a special 'thank you' to all who took the trouble to come and make the day a splendid success. We exceeded our financial target and the new staging purchased for the School with the proceeds is already in regular use!

Yours sincerely,
Gerald Burke
Chairman Bar Hill P.T.A.

To the People of Bar Hill, Oakington and Westwick

Dear Friends,

You have given me the privilege of representing you on the District Council.

Although I stand as a LIBERAL Councillor I want you all to know that I am your spokesman - every Man, Woman and Child.

It is often said that politics should not be brought into Council matters. This is true to a certain degree. However the 'Independent' label tells you nothing about the views of your Councillor. Local Government is local politics, and you should be aware of the political views of your Councillors to know how they are likely to react on major issues.

I was born in East Anglia and I CARE deeply about you all and about our wonderful countryside. I pledge my services to you all.

Yours sincerely and God Bless You,
Condr. Derek-Couzin-Wood, MBE, RN(RTD)
District Councillor,
21 Hollytrees,
Bar Hill

BAR HILL CRICKET CLUB

Sunday April 27th saw another milestone in the History of Bar Hill Village achieved, the first ball was bowled on the cricket square in a friendly game between members of the newly formed Cricket Club. "Yes" it has taken this long to get to the above position but none the less rather than harp on the past lets thank all the people involved in getting us to this stage, for which there are many, too numerous to thank individually,

Since the above date we have also played two friendly games against the Swans from Swavesey and Longstowe C.C; in the Swans match we ended up winning by some 7 wickets; against Longstowe it was a much closer game, the result a draw: Longstowe 149 for 7, Bar Hill 93 for 6 when time ended the game. This was a very creditable performance by our team in view of the very strong opposition; most of their players coming from their 2nd XI who won the Minor League Section B title last year. Well done Bar Hill and thanks to all the supporters who turned up to cheer us on which helped to make it a very enjoyable afternoon.

I would like to take this opportunity to point out that the club now has some forty four members, a very good response to the initial enquiry for help to form a cricket club, but we are still open for others to join what is hoped to be a very successful club.

The interest need not specifically be to play cricket, we need umpires, scorers, help in making tea and sandwiches etc, your help will ensure that Bar Hill's Club stays a very live concern to further promote our own Village Activities, not forgetting the Youth side also who are very much in our thoughts as a continuation of cricket for Bar Hill Village.

To the present members I give the dates of games to be played in June which have been arranged up to now, anyone who has not turned up for practice or friendly games so far played please come along so that you all have the chance to play against opposing teams, on June 1st away to Willingham, June 8th at home to Fen Drayton, June 15th at home to the Beehive, June 29 at home to Willingham. Remember practice nights are Mondays and Fridays each week 6.30 start

BAR HILL SOCIAL CLUB

As well as the established activities of the club we have two special events organised for this month.

On Friday 13th (of all days) we have a Tramps' Disco with music provided by the Red Baron. We will be providing a suitable "atmosphere" with a soup kitchen and other refreshments and there will be a bar extension of course. So get out your old clothes, get in the mood and we'll provide the rest. After all, with inflation as it is you may need the practice!

On Saturday the 14th it's the turn of the youth of the village who are having a Silly Dress Disco, again with music by the Red Baron. Food will be provided and prizes for the silliest appearance will be given. (I don't envy the judges!)

We're always looking for something new. A number of people have suggested a cabaret or music-hall evening using available talent from the village. There is no doubt that the talent exists, but can we get it all under one roof at the same time.

The event might consist of a number of local entertainers each doing a 15 or 20 minute spot with a highlight provided by an established act. There could even be a quick burst of bingo in the middle and a sing-along finale of "oldies but goldies" with a resident organist. If the first experimental evening proved successful there is no reason why this should not become a regular event.

So we are out talent spotting (or seeking). We'll consider anything:- Jazz, Folk, Classical or Pop music, comedians (there are plenty of those in the village!), magicians, singers, flea trainers, singing dogs, performing seals etc, etc.. We would also need someone with a portable organ who could play for the finale.

So have we any volunteers or any suggestions? If so, please get in touch with me at the address below and we'll try to get the first session off the ground as soon as possible.
